# We Need Your Help

Everyone deserves the right to clean water. Help save lives by building a dig-a-well that will provide a needy community of 200 people clean safe drinking water on their doorstep, saving them the time and hassle of collecting water from unsafe sources miles away that make them ill.

# FUNDRAISING IDEAS

## Crowdfunding

Create a free, simple online fundraising platform (Launchgood, GoFundMe etc), where you create a page & spread across your contacts. Make the most of your fundraising pack and ask people to sponsor you using your Sponsorship Form.

## Get Sponsored

Get in touch with your friends, family & neighbourhood, asking them to sponsor you & log their contribution on our sponsorship form. Fill a jar with cookies and sweets and get everyone to pay to guess how many there are. Whoever's closest gets to walk away with the goodies.

## Social Media

Post about your cause on your personal social media networks and encourage your followers to donate.

## Bake Sale

Throw your baking gloves on & prepare some delicious sweet goodies to sell in your local community.

## Set up a donation Box

Place the donation box in your home, office, local masjid or local supermarket & grab those extra pennies.

## Garage Sale

Sell any unwanted clothes or household items either at a garage sale or online.

## Get Creative

Use a skill in return for a fee – e.g. mehndi, face painting, making cards, jewelery etc.

## Coffee Morning

Why not organise a coffee/tea morning and get loved ones or colleagues to sponsor you?
